

To Open Bids Nov. 24 for Arsenal Building Sale

Sealed bids in triplicate will be received until 11 a.m. Nov. 24 when they will be publicly opened at the office of the post engineer, Joliet Arsenal, for the sale and removal of certain buildings and improvements there.

This is the third such sale conducted at the Arsenal. The structures now are subject to inspection by prospective purchasers between the hours of 9 a.m. and 4 p.m. on Tuesday and Fridays. The post engineer will make arrangements for an inspection upon request of the bidder.

THE STRUCTURES offered for sale will be sold "as is" and "where is" without warranty or guaranty as to quantity, quality, character, condition, size or kind.

The sale will be on all-cash basis and bids must be accompanied by a certified check, cashier's checks, or U. S. post office money order.

payable to the Treasurer of the United States.

In addition, the purchaser will assume all necessary expense in taking down and replacing telephone, electric and other wires, and fences, which may obstruct removal of buildings.

PURCHASERS must complete the removal of buildings and all items purchased and clean-up operations by March 1, 1948.

Among the items offered in this third sale are a frame office 42 feet, six inches by 12 feet by 12 feet, on wooden piers with siding; a frame chicken house on skids; two frame barns on concrete sills with one wing wooden floor and one dirt floor, and metal roofing; a 20 by 32 by 12 feet frame garage with concrete floor; a 9 by 13 by 10 frame lunch room, on skids; a milk shed; guard house; frame warehouse 30 by 120 by 150 feet on wood sills, with half of the building having a wooden floor, and asbestos shingles; a frame corn crib; tool sheds' root cellars; clock house and lunch rooms.

Also a frame kitchen 15 by 15 by 12 feet with drop siding.
